**NYS Certified WBE (PENDING)**

To: The Town Of Greig

BRONZE Contracting LLC, is pleased to provide you with the following proposal for asbestos abatement & other corresponding services.

Name/ location of project:

Residential Structure  
5196 Greig Road  
Greig, NY

Scope of work: (Asbestos Abatement & Building Demolition)

Remove and properly dispose of all asbestos containing material as per approved NYS DOL variance decision file no. 14-1125.

Demolish & legally dispose of entire structure as clean construction debris.

Foundations, Brick, block, or concrete from site shall remain in place on site. No backfill included.

No demolition permit fees included. No utility disconnect fees included. Water and power source to be provided by the town.

**Price Includes:** All NYS Department Of Labor Notification Fees (\$1,400.00)  
Coordinate and confirm electric & gas disconnects with National Grid  
UFPO Dig safe pre demolition meeting on site

**Lump Sum: Eighteen Thousand Nine Hundred Eighty Five Dollars (\$18,985.00)**

BRONZE Contracting LLC will not require a down payment for the project. The total balance for this project is due upon completion. The proper documentation and legal disposal records will not be turned over to the owner until full payment is received.

BRONZE Contracting LLC will provide all necessary labor, materials, etc. to remove all materials that are part of this contract. All work identified above shall be performed in accordance with all federal, state and local regulations. This proposal may be withdrawn by BRONZE Contracting LLC if not accepted in ten (10) days.

Sincerely,

Thomas R Bronson

Vice President
